

SUN TRADING
CO.,LTD.

About us

- Established in 2000 – Sun Trading Co., Ltd. is the import and export company of men's women's apparel and Accessories.
- Our range of products includes Ladies blouses, Skirts, Men's pants, Shirts, Jackets and Accessories like Handbags, Shoes etc...

Our success

- Our goods cater to and manufacture our invaluable clients' needs with customizing price range according to the demand.
- We carry out our business operations under the guidance of our managing director – Mr. Shigeo Mimura . He brings on board more than 50 years of experience in the garment industry and sharp business approach.
- We accept bulk orders from our clients that range from small to big and fulfill them within the expected period.
- The key to our success lies in our expert employees. They take care of designing & production, sales & marketing, quality control, and many other administrative departments, and their high experience can accomplish targets in set periods.
